Important Comcast information

Submitted by Ruth Southard, Comcast liaison

You have a Comcast account! Yes, even though you may not receive a monthly bill because your services are included in the HOA contract, you have a separate account accepting responsibility for the equipment that Comcast provided.

The contract reads "The resident shall be required to enter into a separate agreement with the Company accepting responsibility for the high definition digital receiver(s), digital adapter(s), remotes, wireless gateway and any services purchased which are additional to the Video Bulk Service and the Internet Bulk Service."

What this means is **IF YOU MOVE**, you are responsible for cancelling the account attached to your address and return the equipment to Xfinity. Cancelling the account is accomplished by simply calling 1-800-COMCAST. After the account is cancelled, you may take the equipment to any Xfinity store so they can be removed from your account.

Coushatta

Coushatta has suspended all overnight bus trips until repair/renovation of the Inn is complete. They sustained serious flood damage quite some time ago and by the looks of the Inn two weeks ago, it will still be a long time before repairs are complete. We will continue to follow the situation and when the opportunity presents itself, the Men's Club intends to resume the trips.

TOWN SQUARE AND THE CHANNEL DESCRIPTIONS.....

Welcome

ASSOCIATION NEWS

The Association News Channel is for your community association and management company to share important notifications and reminders to the community, announce upcoming events and meetings, and provide association information.

Please be sure to set your Notification Preferences in your My Account area to receive these important posts from your association and management company via email, text message and/or mobile notification. Don't forget to provide your mobile phone number if you want to receive text message notifications.

SOCIAL

Stay in the loop on community happenings -- no matter where you are - with the Social Channel! Come back here for announcements of Social Events, pictures and more!

WATCH ALERTS

The Watch Alerts channel was designed to enhance neighborhood safety by providing a place to post news such as severe weather warnings or information about your neighborhood watch group.

In the event of a crime in progress or other dangerous situations in your neighborhood, your first call should always be to the police.

LOST & FOUND

Did you find a set of keys on the sidewalk? Has your pet run off? Let your community know immediately. The Lost & Found channel is the place to go for time-sensitive information regarding lost & found pets and personal belongings.

GENERAL

The General Channel of the Community Feed is the place to go for neighborhood info and HOA-related matters that don't really fit into the other channels. Property tax discussions, conversations about area schools and Q&As about city services all fit into the General Channel.

Classifieds

The Classifieds is your place for free, local classifieds. Buy, sell, trade and help your neighbors out. Trade your unwanted desk for patio furniture, sell your BBQ grill, buy a swing-set.... The possibilities are endless!

WINNER!

At the BellaView, two of these Bella Vita Library fans won a flowering potted plant and two won a Bella Vita artist bookmark.

Thanks for playing and
for enjoying YOUR Bella Vita Library!

Lawns- Best way to control early spring weeds: dig them by hand. Easiest way: MOW THEM. They will die out when it gets warm. Keep fallen leaves raked up so lawn grasses can receive adequate sunlight. Reuse leaves in beds as mulch or add to compost bins.

Pruning - Crepe Myrtles need no pruning. If you must, you may **shape gently** now, but don't commit Crepe Murder. Wait to prune **spring flowering trees** such as deciduous magnolias, Mexican plums, and redbuds until after they bloom.

Freezes- Keep an eye on the weather and stay informed on nighttime lows. Have frost cloth on hand for light frosts.

Water plants thoroughly before a freeze to protect roots.

If the temperature drops below 32 double wrap tender plants to ensure proper insulation. Avoid using plastic against foliage, but it can be used as the second exterior layer when covering plants. Remove plastic during the day.

TIP: *Heavy duty clothespins or spare bricks can be used to secure and weigh down cloths.*

Rose Award Nomination

It is time to consider a nomination for the ROSE Award that will be presented at the annual homeowners meeting in **March 2020**. ROSE is an acronym for Recognition Of Serving Extraordinarily. The ROSE is the highest form of recognition given by the BellaVita HOA to an individual for an idea/solution/project that **occurred in the year 2019** and that directly benefits the entire BellaVita community and/or community life. These efforts are viewed as being "above and beyond" the normal service of homeowners. The following are past recipients of the ROSE Award:

Don Jensen, 2014

Ron Lauve, 2015

Charles Parham and Gene Reddell, 2016

Fritz Ring and Ruth Southard, 2017

Diane Nicolas, 2018

Linda Kuhn, 2019

By **February 24, 2020**, Homeowners may submit nominations to the Clubhouse.

ROSE Award information and nomination forms are available on the BV website under the Awards Committee tab or pick up forms at the front desk.

Thank you for your participation in this volunteer recognition program.

Sandra Bornstein, Awards Comm. Chair

GET
READY TO
COUNT

Love the Birds? Make it Count this Weekend!
Participate in the Great Backyard Bird Count: February 14 - 17

Spend a few minutes this weekend doing something that's fun - and that helps the birds. The Great Backyard Bird Count* links ordinary folks with scientists in an effort to collect important data about backyard birds.

Spend a period of just 15 minutes counting the birds you see anytime February 14-17. You can count from home, work, school - anywhere. Just make note of the birds you see then report your findings at gbbc.birdcount.org. Scientists will use your information to better understand important trends in bird populations, range expansions, habitat changes and shifts in migration patterns.

To prepare for the count, be sure to visit Wild Birds Unlimited for a variety of bird foods and feeders to attract more birds to your backyard.

**The GBBC is a joint project of Cornell Lab of Ornithology, National Audubon Society and Bird Studies Canada. Wild Birds Unlimited is proud to be a founding and major sponsor of this annual event.*

There is something new in the library. Now we have books in Spanish. A limited selection, but it is a start. We invite you to review and borrow something from the collection. AND you are invited to DONATE to the collection! Enjoy!

Front Door Maintenance

Your HOA dues includes having your front door maintained every 2 years. This means the door will be lightly sanded and a light coat of spar varnish applied. A new weather strip at the bottom of the door is included, if needed. This will help protect your door. However, if you postpone having the work performed and the door has to be refinished (not just maintained), the HOA will only cover a portion of the refinishing and replacing the weather strip. The HOA will pay \$130.00 (the cost to the HOA of a normal maintenance including the weather strip) plus an additional \$50.00 to cover the cost of a second coat of varnish. The homeowner will be responsible for the rest. So it pays to have the work done every 2 years, if needed. Please come to the Front Desk at the Clubhouse and ask to have a work order made for Door Maintenance if it has been 2 years since your door was maintained last.

JUST A LITTLE *Reminder*

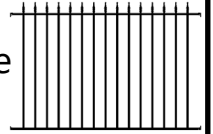

Please tell your Guests and Vendors Do **NOT** Tailgate.

Please be watchful where you park at the Annex. There are only a few parking spots there, but most are for either Handicapped Parking or 15 minute parking. If you park there for Gym use and are there longer than 15 minutes, please park in larger lot.

Please keep the pool gate Closed. The County Ordinance prohibits the propping open of pool gates.

ATTENTION RESIDENTS:

NO PETS ARE ALLOWED IN THE CLUBHOUSE, ANNEX or on the POOL DECK

We are no longer receiving bills over \$20. If anyone comes and tries to pay with more than \$20, we will have to turn them away. Thank you for understanding.

All guests, visitors, and realtors must sign-in when touring Clubhouse.

Please make sure all Cats and Dogs are on Leashes

During ticketed or private party events, the ice machine will not be available for personal, pool or other activity use to fill coolers or drink containers

The City of Pearland has an ordinance against feeding ducks. All homeowners are encouraged **not** to feed the ducks.

Please be considerate and pick up after yourselves when exiting the annex, ballroom, and kitchen areas.

We have found coffee grounds left over in the coffee maker in the kitchen, wrappers and food on the floor in the Annex, spilled soda in the clubhouse hallway, etc.

IMPORTANT ANNOUNCEMENT:

PLEASE DO NOT PARK ON THE CURBS!!!

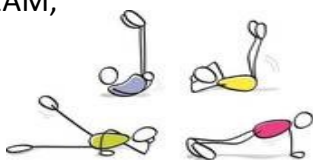

BellaVita owns our streets within the community and when the curbs are damaged the association has to repair/replace. Please be cautious.
