MESSAGE FROM THE HOA

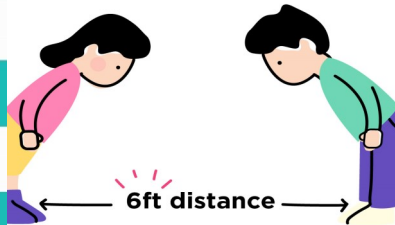

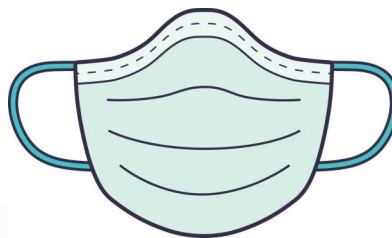

The Board continues to meet weekly to discuss procedures for moving forward during this pandemic.

At this time, no additional activities will be resumed at the clubhouse. The pool and gym will remain open for normal hours and the business office and library will continue to be open under Phase 1 guidelines.

There is a mandatory face mask/covering order issued by City Of Pearland till July 12th. Please comply with the mandates of this order while on the clubhouse or library premises. No face covering is required for the pool or gym.

We will continue to apprise you of any changes as they may be made. Until such time as there is a significant decline in the reports on positive cases, we will continue under these guidelines.

Your cooperation is appreciated to maintain social distancing and occupancy rates posted.

Curbs and Sidewalks Repair

Dear BellaVita Neighbor,

As most of you will recall, every two or three years the Facilities Committee undertakes projects to repair the neighborhood curbs and sidewalks. The purposes of these projects are to eliminate trip hazards around the neighborhood and to maintain appearances so that we can maintain our property values. Offsetting these concerns, particularly the latter, is that we give due consideration to the expenses we incur in making these repairs, as they are paid for out of your monthly HOA dues assessments.

I am writing this notice to ask your assistance in identifying needed repairs. I request that you send me addresses and pictures, if possible, of such areas. While I walk around the neighborhood, there are many areas that I don't get to, such as some of the smaller streets, cul-de-sacs, Berlino and Primavera.

To give you an idea of the types of things I am looking for I offer these photos. The first group is pictures of places that need repair.

← The second and third pictures show places where there are actual loose or missing pieces of the curb. The first shows a place where, while the curb is currently intact and being held together by the rebar, the place is at the end of a driveway and has multiple small cracks. It is just a

matter of time before this place crumbles and looks like the other two pictures. Below are some examples of "problems we probably will not address at this time, unless we need a few more repairs for the contractor to feel justified in coming out."

In this case I kicked the curb and nothing moved; so, I concluded the rebar is holding things together reasonably well and will probably defer repairs.

Here is another situation:

This is a section of curb around where the property owner cut through the curb to make an exit for a French drain. The Facilities Committee has long taken the position that we do not accept responsibility for these, as they were all added after the house was built, thereby negatively impacting the structural integrity of the curb. While these areas should be repaired, we do not accept responsibility for these repairs.

If you are aware of areas in your part of BellaVita, please send the addresses and pictures, if possible, so that I can add them to my list. My email address is rhemme@aol.com and my phone number, if you prefer to text, is 281-216-1485.

NOW MIGHT BE THE TIME

Some folks watch **movies**. Some folks read **books**. Some folks enjoy **magazines**.

Some like to work jigsaw **puzzles**. Some appreciate **music**. Some enjoy **cooking**. Some are into **sports, politics, comedy, pets** . . .

The lists of things that people enjoy are never-ending.

What is YOUR THING? Think about it. Make a list. Then **visit your Bella Vita Library** to find the things you love. If you have never done it before, **now might be the time**.

HAPPY

FOURTH OF JULY

The offices will be closed on Friday, July 3rd and on Saturday, July 4th, in observance of the recognized and national holiday. There are no activities planned because of the pandemic.

We urge you to honor the celebration of our great country in a safe and responsible manner. Residents are planning a parade to begin on Saturday 7/4 at 6:30pm at Capri and N. Riviera And anyone is welcome to participate.

UNFORTUNATELY, BECAUSE WE ARE UNABLE TO HAVE OUR HURRICANE SEMINAR THE COMMUNITY RELATIONS COMMITTEE HAS OBTAINED BROCHURES.

The Awards Committee would like to announce Q2 2020 Volunteer of the Quarter, Gwen Imhoff. The Volunteer of the Quarter is a program to publicly recognize the efforts of an individual for BV community service.

Gwen Imhoff and her husband Dennis moved to BellaVita in July 2001 and both have enjoyed the good life here. Gwen retired in 2012 from CenterPoint Energy, where she was part of their Emergence Operating Team. Her last big EOP assignment was in Galveston after Hurricane Ike. With this background, she chose to serve on BellaVita's Community Relations Committee (CRC) in 2013. One of the major tasks of CRC is to provide an annual seminar on preparing for disasters such as hurricanes and floods. This was a perfect fit for her as well as for our community.

Since 2015, Gwen dedicates her precious time every Monday, Wednesday and Friday to teach fitness classes to a group of eager residents. Her mission is to keep her class members "Active, Healthy, Happy". Different classes are designed for functional fitness which includes balance, endurance, flexibility and strength. She includes other activities like chair exercise, yoga and weight strengthening, which keeps the classes interesting and promotes returning residents. She takes time to research articles and fun reminders to share with the class to try to keep everyone focused on fitness.

One of Gwen's favorite activities is the fitness class marching and performing a routine in the BV 4th of July parade. Gwen goes above and beyond for her weekly classes. When Gwen is not able to personally teach her class, she will not cancel! She will offer a tape recording or a sub so her group will not miss a day because of her absence. This shows true dedication.

At the Annual BV Health Fair, which is an event sponsored by the CRC, Gwen provides valuable information on fitness to attendees. She participates in the Bella View, an annual event to share all the activities at BV and meet new neighbors. With great enthusiasm Gwen likes to share all the fitness activities and let residents know how they can keep fit at BV at any physical level. Gwen has a winner's attitude and all respect and admire her for her outstanding leadership.

Gwen is thankful to be a part of this community and is looking forward to BV Fitness Class, parties and events to restart in the future.

She has done an incredible job in all her volunteer efforts. Thank you Gwen Imhoff for all your hard work. Please congratulate Gwen on her outstanding contributions and recognition as Volunteer of the Quarter.

Front Door Maintenance

Your HOA dues includes having your front door maintained every 2 years. This means the door will be lightly sanded and a light coat of spar varnish applied. A new weather strip at the bottom of the door is included, if needed. This will help protect your door. However, if you postpone having the work performed and the door has to be refinished (not just maintained), the HOA will only cover a portion of the refinishing and replacing the weather strip. The HOA will pay \$130.00 (the cost to the HOA of a normal maintenance including the weather strip) plus an additional \$50.00 to cover the cost of a second coat of varnish. The homeowner will be responsible for the rest. If it has been 2 years since your door was maintained last please contact the Clubhouse 281-464-3150 to be put on the list or stop in during open hours.

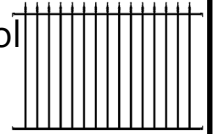

A Friendly Reminder

PLEASE DO NOT FEED THE STRAY ANIMALS!

By feeding stray cats, racoons, opossums, etc., you create unwanted messes in your yard and your neighbors yards. Stray cats that are being fed tend to make litterboxes out of gardens, plants, rooftops, patio furniture, and worse, garages. Feral cats can also damage outside furnishings by scratching and spraying on them, leaving an unpleasant odor. Neighbors with damage from these strays may use necessary means to remove the unwanted pests to avoid further damage by calling Animal Control or using an animal safe trap. Traps are often available at no charge from the City.

Please keep the pool gate Closed at all times. The County Ordinance prohibits the propping open of pool gates. (CAMERA MONITORED)

Please make sure all Cats and Dogs are on Leashes

Please do not work on motor vehicles in the driveway or in the street. The BellaVita CCR Section 8 states that motor vehicles can only be worked on in the garage or an approved enclosure..

When purchasing a ticket from the clubhouse please make sure its payable to "BellaVita"
