

Communication Committee Minutes
June 23, 2009

Present: Carol Grisanti
Ruth Southard
Kakie McKinney
Scott Vaughan
Nancy Triggs

This was the first meeting of the new Communications Committee, and a variety of ideas were exchanged.

Digitized area map from Veteran's flag group – would help to break down the community into smaller units if we decide it would be helpful; i.e., block captains

Webpage: Nancy – weekly & monthly newsletters
Ruth – Board page
Scott – Daily News

Let's focus on getting the information to the homeowners who want it. How do we know who wants the information and is not getting it now?

Tips to put in the newsletter to try and improve homeowners' use of the website:

Add it to your calendar as a recurring appointment or item as a reminder to view or print the weekly & monthly newsletters

Be sure to visit the daily news; all clubs should be sure to send any changes after the newsletter has been posted to: dailynews@club_bellavita.org

The Advisory Group meets on the 4th Thursday, and it would be helpful if one of us could attend. Board meetings are on the 4th Wednesday @ 3 pm each month.

The Belles and TEC do not post their minutes on the website – we should find out why.

Review & update the RV Registration form to be consistent with other Bella Vita forms.

The next meeting of the Communications Committee will be Thursday, July 9th, at 1 pm.
