

# JULY 21, 2020

We hope you and your family are doing well during these challenging times. This is a friendly reminder we all need to be mindful and continue following CDC recommendations and local mandates.

We are seeing a rise in the area in positive cases and unfortunately that includes BellaVita. Currently there are known active cases within the community. Below are some CDC recommendations to help control/mitigate the person-to-person spread of the virus.

- Know how it spreads
- Wash your hands often
- Avoid close contact
- Cover your mouth and nose with a cloth face cover when around others
- Cover coughs and sneezes
- Clean and disinfect
- Monitor your health daily

The Board and Management Company will continue to monitor and evaluate the situation. The Board is encouraging residents to please review updates from the CDC or updated information from your local health department.

As a community let's do our part to protect the safety of all residents.

Below are some helpful links:

<https://www.cdc.gov/coronavirus/2019-ncov/index.html>

Please stay healthy and wishing you/your family well.

Use of the gym and exercise facilities is limited to homeowners and registered residents (this being defined as renters or lessees, adult children or grandchildren who are permanent residents in the home and who have been registered with the office).

The maximum occupancy is limited to 4 because of recommended social distancing. The hours of operation will continue as normal under our Rules and Regulations with access by your remote key fob. Masks are required to enter the clubhouse but do not have to be worn while exercising. Please continue to bring your own disinfecting supplies. Please wipe off all equipment prior to use and after use.

Thank you.  
Your cooperation is appreciated.

PLEASE

DO NOT  
FEED THE  
WILDLIFE

HELP KEEP THE AREA  
CLEAN & HEALTHY

One of the great things about living in BellaVita is you are close to the Nature Reserve. The natural, forested areas of our City provide ideal habitats for wild animals of all kinds—from coyotes to raccoons and squirrels. Although all this wildlife outside your backdoor provides tremendous opportunities to view animals, people are sometimes tempted to put food out for wild animals in order to get up-close sightings. That is rarely a good idea. By feeding the wildlife animals you are creating unwanted messes in your yard, your neighbors yards and around the lake. Any receptacles which are found around the lake or on common property for feeding wildlife will be removed and disposed of.

UNFORTUNATELY, BECAUSE WE ARE UNABLE TO HAVE OUR  
HURRICANE SEMINAR THE COMMUNITY RELATIONS COMMITTEE HAS OBTAINED  
BROCHURES.

please stop by the front desk at the clubhouse to pick up a hurricane guide

## WHAT TO DO? WHAT TO DO?

These times are hard. Sometimes, this COVID thing seems to overtake every little part of our lives. We've been at it a while now, so we've tried lots of things to help us get through it all. What works for you?

Having friends to come visit? That can be an issue.

Going out to visit friends? That can be an issue.

What else is there ???

Probably (hopefully) there are lots of options. One that might be right in front of us, we might not even be using. What? You say?

**PETS.** Do you have a pet? Dogs and cats are your "standard" pet options, but there are lots of others. Like: fish, rabbits, reptiles, and the list goes on.

So, how about we Bella Vita folks reach out to our neighbors and

## SHARE our experiences and relationships with our PETS?

**How?** Take a **PICTURE OF YOUR PET**. Print it off. Take it to the Bella Vita Library. Post it on the **Pets of Bella Vita Bulletin Board!** Add your name and contact info if you'd like. Maybe arrange a play-date with another BV pet that is helping their person deal with this COVID thing. Or maybe just get together to **TALK** about your pets.

Just make the connection. Can't hurt.

## Front Door Maintenance

Your HOA dues includes having your front door maintained every 2 years. This means the door will be lightly sanded and a light coat of spar varnish applied. A new weather strip at the bottom of the door is included, if needed. This will help protect your door. However, if you postpone having the work performed and the door has to be refinished (not just maintained), the HOA will only cover a portion of the refinishing and replacing the weather strip. The HOA will pay \$130.00 (the cost to the HOA of a normal maintenance including the weather strip) plus an additional \$50.00 to cover the cost of a second coat of varnish. The homeowner will be responsible for the rest. If it has been 2 years since your door was maintained last please contact the Clubhouse 281-464-3150 to be put on the list or stop in during open hours.
