## Executive Summary

Dear Board of Directors:

Arthur J. Gallagher & Co. appreciates the opportunity to present the following proposal of insurance to your Association. As an added benefit to being a client of FirstService Residential, your Association has access to their proprietary insurance program, which for over 30 years has provided its participating Associations with the broad coverage and protection needed at less than market group pricing.

Although we recommend that you carefully review this proposal in full, the following are program highlights we would like to bring to your attention:

- ✓ Package Policy coverage is moving from Hanover to Philadelphia (new in 2017).
- ✓ True "Blanket" Property coverage with no co-insurance at full replacement cost.
- ✓ Flat 1% Wind and Hail deductible for all locations (new in 2017).
- ✓ Tree coverage sublimit enhanced to add Wind and Hail as a covered peril (new in 2017).
- ✓ One of the broadest Directors and Officers Liability coverage forms available with enhancements that include no Insured vs. Insured Exclusion, Defense coverage provided for Breach of Contract, Defense Costs outside the limit, and many more.
- ✓ High limit (\$50,000,000) Umbrella policy which provides increased limits for Directors and Officers Liability coverage in addition to the General Liability, Auto and Employers Liability coverages.
- ✓ Workers Compensation coverage that extends full Workers' Compensation benefits to Board Members, Committee Members and any other Volunteer working on behalf of the Association in their official capacity.
- ✓ Free 24/7 on-line insurance certificate request website (see page 9).
- ✓ Attorney on staff to provide assistance with insurance provisions in contracts and/or governing documents.
- ✓ Claims Advocacy Team of former high level company adjusters.

We appreciate the opportunity to provide insurance brokerage services to your Association. If we can be of any assistance now or at any time during the policy year, please don't hesitate to contact us using the information provided on page 9 of this proposal.

Sincerely,

### **The FirstService Residential Insurance Program Servicing Team**

## Bindable Quotations & Compensation Disclosure Schedule

The following disclosures are hereby made a part of this proposal. Please review these disclosures prior to signing the Client Authorization to Bind or e-mail confirmation.

**Proposal Disclaimer**      **IMPORTANT:** The proposal is an outline of certain terms and conditions of the insurance proposed by the insurers, based on the information provided by your company. It does not include all the terms, coverages, exclusions, limitations and/or conditions of the actual policy contract language. The insurance policies themselves must be read for those details. Policy forms for your reference will be made available upon request.

We will not be operating in a fiduciary capacity, but only as your broker/agent, obtaining a variety of coverage terms and conditions to protect the risks of your enterprise. We will seek to bind those coverages based upon your authorization; however, we can make no warranties in respect to policy limits or coverage considerations of the carrier. Actual coverage is determined by policy language, so read all policies carefully. Contact us with questions on these or any other issues of concern.

**Compensation Disclosure**      One of the core values highlighted in The Gallagher Way states, "We are an Open Society," and our open society extends to the compensation Gallagher receives. In general, Gallagher may be compensated as follows:

1. Gallagher Companies are primarily compensated from the usual and customary commissions or fees received from the brokerage and servicing of insurance policies, annuity contracts, guarantee contracts and surety bonds (collectively "insurance coverages") handled for a client's account, which may vary from company to company and insurance coverage to insurance coverage. As permitted by law, Gallagher companies occasionally receive both commissions and fees.
2. In placing, renewing, consulting on or servicing your insurance coverages, Gallagher Companies may participate in contingent and supplemental commission arrangements with intermediaries and insurance companies. Contingent commissions provide for additional contingent compensation if underwriting, profitability, volume or retention goals are achieved. Such goals are typically based on the total amount of certain insurance coverages placed by Gallagher with the insurance company and/or through the intermediary, not on an individual policy basis. Some insurance markets, including Gallagher-owned intermediaries, have modified their commission schedule with Gallagher, resulting in an increase in some commission rates. These additional commissions, commonly referred to as "supplemental commissions" are known as of the effective date, but some insurance companies are paying this commission later and apart from when commission is normally paid at policy issuance. As a result, Gallagher may be considered to have an incentive to place your insurance coverages with a particular insurance company. Note: Upon request, your Gallagher representative can provide more specific market information regarding contingent and supplemental commission related to your insurance coverage.
3. Gallagher Companies may also receive investment income on fiduciary funds temporarily held by them, such as premiums or return premiums.
4. Gallagher Companies may access other facilities, including wholesalers, reinsurance intermediaries, captive managers, underwriting managers and others that act as intermediaries for both Gallagher and other brokers in the insurance marketplace. Gallagher Companies may own some of these facilities, in whole or in part. If such a facility was utilized in the placement of a client's account, the facility may have earned and retained customary brokerage commission or fees for its work.
5. Gallagher assists its customers in procuring premium finance quotes and unless prohibited by law may earn compensation for this value added service.
6. From time to time, Gallagher may participate in insurance company promotional events or training and development that insurers provide for Gallagher employees.
7. Gallagher strives to find appropriate coverage at a competitive price for our customers. In order

to achieve these goals, we gather and analyze data about our customers and their insurance coverage. This data and the resulting analytical tools help us better understand the current marketplace, more accurately predict future trends and offer tailored solutions to our customers. The data may also be provided to insurers pursuant to consulting service agreements from which we earn fees.

If you have specific questions about the compensation received by Gallagher and its affiliates in relation to your insurance placements, please contact your Gallagher representative for more details.

### **FirstService Compensation Disclosure**

FirstService Financial, a division of FirstService Corporation, has assisted Gallagher in parts of this insurance program's design and placement. For their services, Gallagher has entered into a revenue sharing agreement with FirstService Financial.

### **TRIA/TRIPRA Disclaimer**

If this proposal contains options to purchase TRIA/TRIPRA coverage, the proposed TRIA/TRIPRA program may not cover all terrorism losses. While the amendments to TRIA eliminated the distinction between foreign and domestic acts of terrorism, a number of lines of coverage excluded under the amendments passed in 2005 remain excluded including commercial automobile, burglary and theft insurance; surety insurance, farm owners multiple perils and professional liability (although directors and officers liability is specifically included). If such excluded coverages are required, we recommend that you consider purchasing a separate terrorism policy. Please note that a separate terrorism policy for these excluded coverages may be necessary to satisfy loan covenants or other contractual obligations. TRIPRA includes a \$100 billion cap on insurers' aggregate liability.

The TRIPRA program increases the amount needed in total losses by \$20 million each calendar year before the TRIPRA program responds from the 2015 trigger of \$100 million to \$200 million by the year 2020.

TRIPRA is set to expire on December 31, 2020. There is no certainty of extension, thus the coverage provided by your insurers may or may not extend beyond December 31, 2020. In the event you have loan covenants or other contractual obligations requiring that TRIA/TRIPRA be maintained throughout the duration of your policy period, we recommend that a separate "Stand Alone" terrorism policy be purchased to satisfy those obligations.

### **Property Estimator Disclaimer**

These property values were obtained using a desktop Property Estimator software operated by non-appraisal professionals. These property values represent general estimates which are not to be considered a certified appraisal. These property values include generalities and assumptions that may produce inaccurate values for specific structures.

### **Actuarial Disclaimer**

The information contained in this proposal is based on the historical loss experience and exposures provided to Arthur J. Gallagher Risk Management Services, Inc. This proposal is not an actuarial study. Should you wish to have this proposal reviewed by an independent actuary, we will be pleased to provide you with a listing of actuaries for your use.
