

NATURE COMMITTEE MEETING
July 5th 10am Annex

1. Welcome, New Board Rep, Merlin Mohr
2. Welcome, New Member, David Purtee
3. Welcome, Guest Resident, Greg Taylor – will come to a couple of events and see if he is interested in joining the committee
4. 2020 Budget – submitted committee's request for \$500 - same as last year
5. Committee contacts updated
5. Committee tasks updated
6. Platform permit approach – we will submit permit application this month to COP using the HOA as the permit applicant to attempt to streamline the time and cost of permitting the project.
7. Remainder of 2019 calendar
 - **Fall Tour – November 22nd @ 9:00 am end of Ameno**
November 28th alternate/rain date
 - Will set up Purple Martin and Blue bird box Seminar – in October with Wild Birds Unlimited – in attempt to assist in the restoration of the purple martin houses and population in BV which has significantly declined due to loss of PM houses
 - **Fall work days – October 19th, November 1, and November 9th** (if needed)
 - **September 7th fall meeting** – to prepare for workdays, 2019 annual report and have presentation on BV Bluebird Project
8. Draft Rules – circulated to committee for review, approval. Will be provided to clubhouse management for input as well, then to Board for approval and publication on BV website
9. Tree tagging project – we will focus on getting the center and east side of the Reserve tagged and inventoried.
10. Committee 2019 budget of \$500 will be spent in the last quarter of the year.
