An e-mail conference approved an oral request from Gene Reddell on behalf of the BellaVita Veterans Organization for replacement flag poles for the Memorial Walk. The flag poles are to meet the following guidelines:

Memorial Walk flag poles will be two (2) aluminum poles with satin finish, 20 ft tall, 4" dia. at the base tapering to 3" at the top. Each pole will be finished at the top with a decorative ball. Each pole will fly one 3X5 ft flag. Each flag will be lighted with a light positioned 4 ft below the flag. The flag hooks will be wrapped (taped) to minimize noise during windy conditions.

Don Talley and Ruth Southard were out of town and did not respond to phone messages.
