Dear BELLAVITA HOMEOWNERS ASSOC,

10/15/07

Welcome and thank you for choosing AT&T Long Distance as your provider of business long distance service. Our long distance service is simple and easy to understand. You'll receive reliable service at a competitive price from AT&T Long Distance, a member of the family of companies your business can trust.

By agreeing to the Business Domestic Solutions 1-Year calling plan, you will receive great low rates for all your state-to-state and in-state long distance domestic direct-dialed calls. The rate(s) will remain in effect for one-year. Thereafter, you can choose another calling plan or you will be moved to a similar term calling plan for the same term and monthly commitment at the then-current usage rates in effect. Please contact us at our toll free number listed below no later than thirty (30) days prior to the end of your initial one-year term commitment if you do not want the calling plan to automatically renew.

In order to qualify for these rates you must agree to a \$5.95 minimum monthly commitment in AT&T Long Distance calling charges. If you spend less than the minimum monthly commitment in any given month you will be billed the difference between your actual usage and the minimum monthly commitment. Cancellation of this calling plan prior to completion of the one-year term may result in an early termination fee of 50% of the minimum monthly commitment multiplied by the number of months remaining to complete the term.

Also, if your business makes international calls and you do not have an optional International Plan, contact us to learn more about our AT&T Business International Calling plan to start receiving low competitive international rates.
