

Community Relations Committee

“CRC”

Meeting Notes

October 18, 2012

The CRC meeting was held October 18 in the craft room of the clubhouse. Those present were Carol, Nancy, and Billie. The meeting notes were reviewed from the August meeting.

Unfinished Business

We discussed that our committee will need to conduct an age survey of residents in Bellavita every two years. This is necessary in order for our community to remain a “55 and over” community.

We are in the process of completing our new brochure explaining the amenities of Bellavita. This will be finalized through our meeting with our realtors.

“Saturday Talk” will be continued in 2013, in possibly March. A topic and date will be announced to our community at that time.

New Business

A new proposal from a task force, concerning Neighborhood Watch, will begin in January, 2013.

The 2013 Strategic Plan was reviewed, with our duties as a committee. These assignments will be ongoing in 2013.

There being no further business, the meeting was adjourned.

Respectfully submitted, Billie Velazquez
