

COMMUNITY RELATIONS COMMITTEE

CRC

Meeting Notes

October 27, 2015

The October meeting of the CRC was held 10-27-15 at 10:00 a.m., in the annex. Those present were Janet, Bob, Diane, Billie, Pat, Tony, Roger, and Rory.

OLD BUSINESS

The Health Fair was a success!!!! We had approximately 82 people attend! This was very successful, and we hope to even make it better in 2016!

NEW BUSINESS

Our committee will be compiling forms for concerns by residents in Bellavita. These forms will have various concerns with a simple "yes" and "no" answer. Each committee member will compile his own form, and we will then meet at 9:30 a.m., November 10th to combine all necessary concerns. We hope to distribute these starting in January, 2016.

The Communications Committee has given the CRC the opportunity to be in charge of the "Bella View" in 2016. The Bella View is the seminar where each committee and activities in Bellavita have a table with representatives to inform our residents about our wonderful community. Our committee will be discussing this event for 2016. Stay tuned!

There being no further business, the meeting was adjourned.

Respectfully submitted,

Billie Velazquez
