

Community Relations Committee

CRC

Meeting Notes

February 17, 2015

The February meeting of the CRC committee was held February 17th in the annex. Those members present were Nancy Alexander, Gwen, Janet, Tony, Billie, and Dianne Clement. She is interested in being a part of our committee, along with Rory Potter. Rory was unable to attend this meeting, but plans to make our March meeting. Those absent were Ron Gerlach, Roger Valdez, Bob Stockinger, and Pat Speer.

Unfinished Business

We discussed having a March 7th "Saturday Talk" at 2:00 p.m. at the clubhouse. Nancy suggested the name of a lady who spoke at her church concerning things our community might be interested in learning about—such as living wills, power of attorney, and any questions concerning final arrangements. Janet is going to contact her, and we will discuss this further before it is finalized.

The Hurricane Seminar will be held possibly on June 13th at the clubhouse. This meeting will be along the same agenda as they all have been. Hopefully Home Depot will come and speak again, along with door prizes given by our committee. We will also discuss this at future meetings, possibly with new ideas.

The next "Saturday Talk" will be the Health Fair to be held in September. There are several ideas to be discussed. We hope to have either Walgreens or HEB come and give the flu shots, and hopefully the shingle shots.

New Business

We are very excited that Diane Clement and Rory Potter expressed an interest in joining our committee. We feel like they will add much needed ideas for our community!

Hope to see everyone at our March meeting. It will be held March 17th (third Tuesday of each month) at 10:00 a.m. in the annex.

There being no further business, the meeting was adjourned at 11:30 a.m.

Respectfully submitted,

Billie Velazquez
