Old Business - None

New Business

Discussed having the Hurricane seminar every other year. This was tabled for now.

A suggestion was made about scheduling someone from the City or MUD to discuss the widening of Clear Creek. Someone suggested that Ron Gerlach might be a good contact. Also, Mellanee Roberts, Emergency Management Planner for the City of Pearland (281-997-4640) might be able to help us.

In March, we might have CPR, AED and Heimlich demonstrations. (Shelly Hassey)

September – Health Fair Might include a stack of Beverly Heald’s books. Also, it is important that we let everyone know before getting a shot at the Fair that they have to bring a copy of their Medicare card. Might, look into getting the Medicare man (Steve Baker) do a presentation.

Also, look into getting the alarm people to come.

Janet is going to check with Shannon to set some dates. We will discuss other times later.

We will not have a meeting in December.

Our next regular monthly meeting will be on Wed., January 15th, at 11 a.m. in the Annex.

There being no further business, the meeting was adjourned at 12:00 p.m.

Respectfully submitted, Rory Potter
