

**CLUBHOUSE COMMITTEE NOTES**  
**BELLAVITA HOMEOWNER'S ASSOCIATION**  
**February 10, 2015**

Members Present: Karen Bishop, Lloyd Lambert, Mike Sanders, John Rodriquez, and Sandra Talley, Nancy Triggs, Don Velasquez and Ken Wright

Absent: Marjie Parham

- *New Member of Clubhouse Committee* - Mike welcomed Ken Wright as a new member to our committee.
- *Storage Room* - The storage room has been cleaned up and painted. A 4-year old, 2-door freezer has been donated to BellaVita. The only four keys to the freezer have been given to the four Club Presidents. Should anyone need access to this freezer, they will need to contact one of the Club Presidents
- *Ab and Back Extension Exercise Machine* - This machine has been replaced by a new 2015 model due to breakage of the old machine. It was also brought to our attention that a 15 lb. weight has been missing from the exercise room for about 4 months.
- *Homeowner concern forms* - No concerns were presented this month.
- *Right-hand Bike in Exercise Room* - The velcro strap on the right-hand pedal keeps coming off. Lloyd will check to see if there is an adjustable strap available for the pedals on the bike or whether new pedals or toe clips will need to be purchased.
- *Men's Bathroom* - The grout is moldy and grout is missing in the men's bathroom. Nancy will have this issue fixed.

The next meeting will be on Tuesday, March 10 at 5:30 p.m. in the Annex.
