

Time to Renew Your “Flags of BellaVita ” Subscription

The time has come for residents to renew their subscription to the BellaVita Veterans Organization flag project. As you know, veterans and volunteers install flags around our entrance and in subscriber’s yards on six patriotic holidays each year.

We hope you enjoyed the recent Veterans Day display as much as we enjoyed providing it! We put up 520 flags on Veterans Day weekend! Your outstanding support on this project is greatly appreciated and makes us proud of the patriotism and camaraderie that exists in our little community.

Your renewal will enable us to provide these flags and make available funds for other community improvement projects. The cost is \$25 for one flag and \$15 for each additional. Renewing via this message will help keep our costs down and simplify our bookkeeping. Thanks again for your support!
