

Grounds Comm. Minutes  
January, 2009

Members Present: D. Darden  
E. Woods  
D. Ferreri  
B. Spedden

Items Discussed:

1. Landscaping of fountain: Brandan was contacted 2 months about planting the circle in the front of the clubhouse in some annuals and some perennials. This has not taken place. We are checking on this item.
2. Memory Walk: Because of the legal guidelines that the MUDD district must follow in the landscaping of the detention ponds, the comm. discussed that an alternative to the proposed location would be to locate the tress on a lot that will not be built upon.
3. Landscaping of Common Areas: Merita & Ron Lauve have offered the community 2 sago palms to be planted in common areas. Brandan will relocate the palms.
4. A meeting with Brandan is scheduled for Jan. 22, to discuss 1 and 3.
