BY-LAWS

OF

BELLAVITA AT GREEN TEE HOMEOWNERS' ASSOCIATION, INC.

Article I.

Name, Membership, Applicability, and Definitions

Section 1. Name. The name of the Association shall be BellaVita at Green Tee Homeowners' Association, Inc. (hereinafter sometimes referred to as the "Association").

Section 2 Definitions. The words used in these By-Laws shall have the same meaning as set forth in the BellaVita at Green Tee Homeowners' Association Declaration, unless the context shall prohibit.

Article II.

Association: Meetings, Quorum, Voting, Proxies

Section 1. Place of Meetings. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place convenient to the members as may be designated by the Board of Directors, either in the Community or as convenient thereto as possible and practical.

Section 2. Annual Meetings.- Annual meetings shall be set by the Board so as to occur no later than one hundred twenty (120) days after the close of the Association's fiscal year, but not a legal holiday.

Section 3. Special Meetings. The President may call special meetings. In addition, it shall be the duty of the President to call a special meeting of the Association if so directed by resolution of a Majority of the Board of Directors or upon a petition signed by at least ten percent (10%) of the Class "A" members. The notice of any special meeting shall state the date, time, and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting, except as stated in the notice.

Section 4. Notice of Meetings. It shall be the duty of the Secretary to mail or to cause to be delivered to the Owner of record of each Lot a notice of each annual or special meeting of the Association stating the purpose of the special meeting, as well as the time and place where it is to be held. If an Owner wishes notice to be given at an address other than his or her Lot, he or she shall have designated by notice in writing to the Secretary

such other address. The mailing or delivery of a notice of meeting in the manner provided in this Section shall be considered service of notice. Notices shall be served not less than ten (10) nor more than sixty (60) days before a meeting.

Section 5. Waiver of Notice. Waiver of notice of a meeting of the members shall be deemed the equivalent of proper notice. Any member may, in writing, waive notice of any meeting of the members, either before or after such meeting. Attendance at a meeting by a member, whether in person or by proxy, shall be deemed waiver by such member of notice of the time, date, and place thereof, unless such member specifically objects to lack of proper notice at the time the meeting is called to order.

Section 6. Adjournment of Meetings. If any meetings of the Association cannot be held because a quorum is not present, a Majority of the members who are present at such meeting, either in person or by proxy, may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the time the original meeting was called. At such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

Section 7. Voting. The voting rights of the members shall be as set forth in the Declaration, and such voting rights will be in compliance with Texas Law.

Section 8. Proxies. At all meetings of members, each member may vote in person or by proxy. All proxies shall be in writing, dated, and filed with the Secretary before the appointed time of each meeting. Every proxy shall be revocable and shall automatically cease upon conveyance by the member of his or her Lot, or upon receipt of notice by the Secretary of the death or judicially declared incompetence of a member, or of written revocation, or upon the expiration of eleven (11) months from the date of the proxy.

Section 9. Quorum. The presence, in person or by proxy, of ten percent (10%) of the Owners of Lots to which eligible votes appertain shall constitute a quorum at all meetings of the Association. The members present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough members to leave less than a quorum.

Section 10. Voting by Mail. The Board of Directors shall authorize members to vote by mail on the election of Directors or on any other matter that may be voted on by the members. The ballots shall be distributed via standard U.S. Mail. If the method for casting ballots is expanded to include electronic capabilities the procedure would be an acceptable method in compliance with Texas Law.

Article III.

A. Composition and Selection.

Section 1. Governing Body; Composition. The affairs of the Association shall be governed by a Board of Directors. The Directors must reside in the Community and shall be members or spouses of such members.

At the expiration of the initial term of office of each respective member of the Board of Directors, a successor shall be elected to serve for a term of two (2) years. The members of the Board of Directors shall hold office until their respective successors shall have been elected by the Association. If at any time after the initial elections, these Bylaws have been amended to increase the number of Directors; the additional Directors elected shall each serve an initial term as to give effect to the staggered terms referred to below.

Section 5. Resignation of Directors. Any director may resign at any time by giving written notice to the remainder of the Board of Directors. Such resignation shall take effect on the date of the receipt of such notice or at any later time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Section 6. Removal of Directors. At any regular or special meeting of the Association duly called, any one or more of the members of the Board of Directors may be removed, with or without cause, by a Majority vote of the Class "A" members. A Director whose removal has been proposed by the Owners shall be given at least ten (10) days' notice of the calling of the meeting and the purpose thereof and shall be given an opportunity to be heard at the meeting. Any Director who has three (3) consecutive unexcused absences from Board meetings days has effectively tendered his resignation from the Board of Directors. Additionally, if a board is presented with documented evidence from a law enforcement authority that a board member has been convicted of a felony or crime of moral turpitude, they are automatically removed from the board.

Section 7. Vacancies. The board may only appoint directors to fill a vacancy caused by resignation, death or disability of a director and then only for the director's remaining term.

Section 8. Staggered Terms. To achieve staggered terms of four (4) and three (3) Directors, the Director positions for the 2013 election will be elected for one year only. Thereafter, all Director positions will be elected for two year terms.

B. Meetings.

Section 1. Organization Meetings. The first meeting of the members of the Board of Directors each year shall be held within ten (10) days following each annual meeting of the membership at such time and place as shall be fixed by the Board.

Section 3. Special Meetings. Special meetings of the Board of Directors shall be held when requested by the President, Vice President or by any two (2) Directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each Director by one of the following methods: (a) by personal delivery; (b) written notice by first class mail, postage prepaid; (c) by telephone communication, either directly to the Director or to a Person at the Director's home or office who would reasonably be expected to communicate such notice promptly to the Director; (d) by telegram, charges prepaid; (e) by fax as long as confirmation of the fax transmission is received; or (f) by e-mail. All such notices shall be given or sent to the Director's address or telephone number as shown on the records of the Association. Notices sent by first class mail shall be deposited into a United States mailbox at least ten (10) days before the time set for the meeting. Notices given by personal delivery, telephone, Telegraph Company, fax or e-mail, shall be given at least seventy-two (72) hours before the time set for the meeting.

Section 4. Notice of Meetings to Owners. The owners must be given notice of Regular and Special Board meetings, including the date, hour, location and general description of those topics to be brought up during the executive session. The meeting notice must be sent at least 10 days in advance if by mail or 72 hours if posted in a conspicuous location or association website and emailed to any owner who has furnished the association or its agent an email address for that purpose. The Board may not, without prior notice to owners, consider or vote on: (1) fines; (2) damage assessments; (3) initiation of foreclosure actions; (4) initiation of enforcement actions, excluding temporary restraining orders or violations involving a threat to health or safety; (5) increases in assessments; (6) levying of special assessments; (7) appeals from a denial of architectural

control approval; or (8) a suspension of a right of a particular owner before the owner has an opportunity to attend a board meeting to present the owner's position, including any defense, on the issue.

Section 5. Waiver of Notice. The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice, if (a) a quorum is present, and (b) either before or after the meeting, each of the Directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any Director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

Section 6. Quorum of Board of Directors. At all meetings of the Board of Directors, a minimum of five (5) Directors shall constitute a quorum for the transaction of business, and the votes of a Majority of the Directors present at a meeting at which a quorum is present shall constitute the decision of the Board of Directors. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of Directors, if any action taken is approved by at least a Majority of the required quorum for that meeting.

Section 7. Compensation. No Director shall receive any compensation from the Association for acting as such unless approved by a Majority of the Class "A" members. However and, as approved by the Board, any Director may be reimbursed for expenses incurred on behalf of the Association.

Section 8. Open Meetings. All meetings of the Board shall be open to all owners, excluding executive session. Owners attending open board meetings may not participate in any discussion or deliberation unless expressly so authorized by the Board.

Section 9. Executive Session. The board may adjourn a meeting and reconvene in executive session to discuss and vote upon personnel matters; litigation in which the Association is or may become involved, contract negotiations and orders of business allowed for executive sessions under the Texas Law. When adjourning a meeting to conduct an executive session the nature of all business to be considered will first be announced in open session. Any decisions made in Executive session must be orally summarized and placed in the meeting minutes, in general terms, without violating privacy or privileged requirements, including a general explanation of expenditures approved in Executive Session.

Section 10. Action Without a Formal Meeting. Any action to be taken at a meeting of the Directors or any action that may be taken at a meeting of the Directors may be taken without a meeting if consent in writing, setting forth the action so taken, shall be signed by all of the Directors. Such consent may be executed by multiple counterpart, fax signatures, or e-mail as provided by Texas law.

Section 11. Meeting by Telephone. The Board of Directors may hold a meeting by telephone conference-call procedures in which all persons participating in the meeting can hear each other. The notice of a meeting by telephone conference must state the fact that the meeting will be held by telephone as well as all other matters required to be included in the notice. Participation of a person in a conference-call meeting constitutes presence of that person at the meeting.

C. Powers and Duties.

Section 1. Powers. The Board of Directors shall be responsible for the affairs of the Association and shall have all of the powers and duties necessary for the administration of the Association's affairs and, as provided by law, may do all acts and things as are not prohibited by the Declaration, Articles, or these By-Laws directed to be done and exercised exclusively by the members. Article VII.
Indemnification

Section 1. When Indemnification is Required, Permitted and Prohibited.

(a) The Association shall indemnify a director, officer, committee member, employee, or agent of the Association who was, is, or may be named defendant or respondent in any proceeding as a result of his or her actions or omissions within the scope of his or her official capacity in the Association. For the purposes of this article, an agent includes one who is or was serving at the request of the Association as a director, officer, partner, venturer, proprietor, trustee, partnership, joint venture, sole proprietorship, trust, employee benefit plan, or other enterprise. However, the Association shall indemnify a person only if he or she acted in good faith and reasonably believed that the conduct was in the Association's best interests. In a case of a criminal proceeding, the person may be indemnified only if he or she had no reasonable cause to believe that the conduct was unlawful. The Association shall not indemnify a person who is found liable to the Association or is found liable to another on the basis of improperly receiving a personal benefit. A person is conclusively considered to have been found liable in relation to any claim, issue, or matter if the person has been adjudged liable by a court of competent jurisdiction and all appeals have been exhausted.

(b) The termination of a proceeding by judgment, order, settlement, conviction or on a plea of nolo contendere or its equivalent does not necessarily preclude indemnification by the corporation.

(c) The Association shall pay or reimburse expenses incurred by a director, officer, member, committee member, employee, or agent of the Association in connection with the person's appearance as a witness or other participation in a proceeding involving or affecting the Association when the person is not a named defendant or respondent in the proceeding.

(d) In addition to the situations otherwise described in this paragraph, the Association may indemnify a director, officer, member, committee member, employee, or agent of the Association to the extent permitted by law. However, the Association shall not indemnify any person in

any situation in which indemnification is prohibited by the terms of Section 1(a) above.

(e) Before the final disposition of a proceeding, the Association may pay indemnification expenses permitted by the bylaws and authorized by the Association. However, the Association shall not pay indemnification expenses to a person before the final disposition of a proceeding if: the person is a named defendant or respondent in a proceeding brought by the Association or one or more members or the person is alleged to have improperly received a personal benefit or committed other willful or intentional misconduct.

(f) If the Association may indemnify a person under the bylaws, the person may be indemnified against judgments, penalties, including excise and similar taxes, fines, settlements, and reasonable expenses (including attorney's fees) actually incurred in connection with the proceeding. However, if the proceeding was brought by or on behalf of the Association, the indemnification is limited to reasonable expenses actually incurred by the person in connection with the proceeding.

Section 2. Procedure Relating to Indemnification Payments.

(a) Before the Association may pay any indemnification expenses (including attorney's fees), the Association shall specifically determine that indemnification is permissible, authorize indemnification, and determine that expenses to be reimbursed are reasonable, except as provided in Section 2(c) below. The Association may make these determinations and decisions by any one of the following procedures:

(i) Majority vote of a quorum consisting of Directors who, at the time of the vote, are not named defendants or respondents in the proceeding.

(ii) If such a quorum cannot be obtained, by a majority vote of a committee of the Board of Directors, designated to act in the matter by a majority vote of all Directors, consisting solely of two or more Directors who at the time of the vote are not named defendants or respondents in the proceeding.

(iii) Determination by special legal counsel selected by the Board of Directors by vote as provided in Section 2(a) (i) or 2(a) (ii) or if such a quorum cannot be obtained and such a committee cannot be established, by a majority vote of all Directors.

(iv) Majority vote of members at a meeting at which a quorum is present, excluding Directors who are named defendants or respondents in the proceeding.

(b) The Association shall authorize indemnification and determine that expenses to be reimbursed are reasonable in the same manner that it determines whether indemnification is permissible. If the determination that indemnification is permissible is made by special legal counsel, authorization of indemnification and determination of reasonableness of expenses shall be made in the manner specified by Section 2(a) (iii) above, governing the selection of special legal counsel. A provision contained in the articles of incorporation, the bylaws, or a resolution of members or the Board of Directors that requires the indemnification permitted by Section 1, above, constitutes sufficient authorization of indemnification even though the provision may not have been adopted or authorized in the same manner as the determination that indemnification is permissible.

(c) The Association shall pay indemnification expenses before final disposition of a proceeding only after the Association determines that the facts then known would not preclude indemnification and the Association receives a written affirmation and undertaking from the person to be indemnified. The determination that the facts then known to those making the determination would not preclude indemnification and authorization of payment shall be made in the same manner as a determination that indemnification is permissible under Section 2(a) above. The person's written affirmation shall state that he or she has met the standard of conduct necessary for indemnification under the bylaws. The written undertaking shall provide for repayment of the amount paid or reimbursed by the Association if it is ultimately determined that the person has not met the requirements for indemnification. The undertaking shall be an unlimited general obligation of the person, but it need not be secured and it may be accepted without reference to financial ability to make repayment.

(d) Any indemnification or advance of expenses shall be reported in writing to the members of the Association. The report shall be made with or before the notice or waiver of notice of the next membership meeting, or with or before the next submission to members of a consent to action without a meeting. In any case, the report shall be sent within the 12-month period immediately following the date of the indemnification or advance.
