Currency: All transactions are processed in U.S. Dollars. As currency equivalents may fluctuate, so may your final charges.

20 and 100 Year Domain Registration Service: If the domain name registry of a particular third level domain does not provide for an initial registration term of 20 or 100 years, then Network Solutions will register your domain name on your behalf for the maximum term available at the respective registry, and as long as your domain name is registered with us, we will continue to add additional years to your registration on an annual basis up to the total of 20 or 100 years, depending upon the term you select from the date of purchase. The service for 20 or 100 year domains will terminate if you transfer to another registrar the domain name for which you purchased the service. This service is non-refundable upon termination.

Domain Protect: For your protection domain names registered with extensions ending with .ar.com, .biz, .br.com, .bz, .cc, .co, .com, .cn.com, .de.com, .eu.com, .gb.com, .gb.net, .hu.com, .im, .info, .jpn.com, .kr.com, .la, .me, .mobi, .name, .net, .no.com, .org, .pro, .qc.com, .ru.com, .sa.com, .se.com, .se.net, .tel, .tv, .uk.com, .uk.net, .us, .us.com, .uy.com, .ws and .za.com will have Domain Protect turned on.

Domain Savings: Savings based on the total cost of domain name registration(s) if renewed annually and apply to the following domains: .com, .net, .org, .biz, .info, .mobi, .name, .bz, .cc, .gs, .im, .me, .ms, .tc, .tel, .us, .vg, and .ws.
