Reasons why my election to the Board of Directors would be an asset to the BellaVita at Green Tee Homeowners' Association, Inc.:

My husband and I moved to BellaVita in January 2002. We immediately discovered BellaVita to be the kind of community in which we wanted to be actively involved. I have continually served this community in a variety of roles. The experience, knowledge, and history I gained regarding this community, along with the relationships I established, will help the new board "hit the ground running." The overall operations of BellaVita are complex. The seven board members will each have significant responsibilities. However, I envision the board engaging many capable homeowners to assist through the committee structure. I want to be involved in the process of establishing the working dynamics of the community. I believe my skills will contribute

to the board getting organized quickly and proceeding with the goal of creating a community encompassing all residents.
