

May 12, 2020

We will be starting the pressure washing project on Monday, May 18th. The pressure washing will include the following: parking lot; lake walkway; the entrance; and the areas where the stop sign bars are. This will also include restriping of the parking lot; the arrows at the entrance; the crosswalks; the handicap areas and fire lanes. The entrance area will be blocked off occasionally by lane. Staff will have cordoned off with cones.

The walkway around the lake will be unavailable in parts so please use extreme caution when walking the lake.

Thank you for your patience!

Article VI, Section 9 says:

Section 9. Signs. Other than standard size FOR SALE or FOR RENT signs, or signs for a security company, no signs, billboards, posters or advertising devices of any kind shall be permitted on any Lot without the prior written consent of the ARC. The size, shape and color of any signs other than FOR SALE signs must be as set forth in the Rules of the ARC or as otherwise approved by the ARC. This section shall not apply to the Declarant.

Texas Statute states that Political signs can be placed on private property 90 days before an election and 10 days after.

We know that since COVID our schedules are a mess but this is just a gentle reminder that we do not have an election coming up until early November 2020. Please remove all political signs until August 2020.

City of Pearland is not issuing Garage Sales Permits at this time. Also BellaVita is not allowing Garage Sales.

The Awards Committee would like to announce Q1 2020 Volunteer of the Quarter, Jerry Marshburn. The Volunteer of the Quarter is a program to publicly recognize the efforts of an individual for BV community service.

Jerry Marshburn moved to Bellavita in 2012, with his wife Emily. Jerry and Emily participated as a vendor at the BV Mistletoe Market for 4 years prior to moving to Bellavita. He said based on that experience, they wanted to move here. Guess they really liked the place!

In 2013, he started volunteering with the Christmas Decorating committee. For 4 years, you could see him decorating inside and out, putting his special touch on the clubhouse, entrance gates, exterior grounds, etc. He always goes above and beyond what's asked of him.

Jerry always has a nice smile when you see him as well as reaching out to others to see if they need help, a true good neighbor. He was Flag Team Captain for 3 years. This is a critical position since it takes an "Army" to install the flags several times a year. Not only is this a physical job and coordination by section, it means a lot to honor our country and veterans.

In 2015, Jerry joined the Facilities Committee, he was responsible for the lake sidewalk task force. With his dedication and concern for Bellavita, he was always out there inspecting the work to ensure it was done properly and to BV standard.

In 2016, Jerry was asked to take on the Front Door Maintenance project. This takes a lot of coordination with all residents. He spends a great deal of time from March through October to ensure residents' doors are scheduled as well as managing the vendor who refinishes the doors.

Jerry has to coordinate with the front desk staff who signs up residents for door maintenance, then he calls each resident on his list to confirm. The Front Doors are done every 2 yrs. so he has to coordinate by street by resident. Takes a lot of time and effort to manage this responsibility. It would not be as successful if not for Jerry's dedication to the BV community.

He says he is known as "The Door Man". Since he does his job so well and takes time to speak with the residents about their appointments, they tend to make him "the go to person" for all maintenance questions. He does what he can to direct them to the right person.

He has done an incredible job in all his volunteer efforts. Thank you Jerry Marshburn for all your hard work. Please congratulate Jerry on his outstanding contributions and recognition as Volunteer of the Quarter.

Sandra Bornstein, Awards Committee Chair

Front Door Maintenance

Your HOA dues includes having your front door maintained every 2 years. This means the door will be lightly sanded and a light coat of spar varnish applied. A new weather strip at the bottom of the door is included, if needed. This will help protect your door. However, if you postpone having the work performed and the door has to be refinished (not just maintained), the HOA will only cover a portion of the refinishing and replacing the weather strip. The HOA will pay \$130.00 (the cost to the HOA of a normal maintenance including the weather strip) plus an additional \$50.00 to cover the cost of a second coat of varnish. The homeowner will be responsible for the rest. So it pays to have the work done every 2 years, if needed. Please come to the Front Desk at the Clubhouse and ask to have a work order made for Door Maintenance if it has been 2 years since your door was maintained last. To put your name on the door work order list please contact the Bellavita Clubhouse 281-464-3150 or email Carolina at Carolina.garcia@inframark.com

Just as extra precaution please ask delivery drivers for the address they are delivering to before allowing them into the community. We want our residents to be safe.

A Friendly Reminder

PLEASE DO NOT FEED THE STRAY ANIMALS!

By feeding stray cats, racoons, opossums, etc., you create unwanted messes in your yard and your neighbors yards. Stray cats that are being fed tend to make litterboxes out of gardens, plants, rooftops, patio furniture, and worse, garages. Feral cats can also damage outside furnishings by scratching and spraying on them, leaving an unpleasant odor. Neighbors with damage from these strays may use necessary means to remove the unwanted pests to avoid further damage by calling Animal Control or using an animal safe trap. Traps are often available at no charge from the City.

Please keep the pool gate Closed at all times. The County Ordinance prohibits the propping open of pool gates. (CAMERA MONITORED)

Please make sure all Cats and Dogs are on Leashes

Please do not work on motor vehicles in the driveway or in the street. The BellaVita CCR Section 8 states that motor vehicles can only be worked on in the garage or an approved enclosure..

When purchasing a ticket from the clubhouse please make sure its payable to "BellaVita"

**-NO-
