ANNUAL BELLES HOLIDAY GIFT GIVING

It is that time of year again when we count our blessings and take time to consider the needs of those in our community who are less fortunate.

We will be supporting the Christian Helping Hands Food Bank with gift cards. Your contribution of \$10 or more will go a long way in providing food, clothing, temporary housing and prescription drugs. Please consider this worthy cause with a gift card or cards from Walmart, Target, HEB, Kroger or any other grocery store.

Your cards can be dropped off at the Clubhouse. A box will be in the lobby. If you would like to write a check please make it payable to the Bellavita Belles. If you intend to view the golf carts in the staging area the day of the parade someone will be available to accept your contribution.

Thank you for your generosity.

In Loving Memory of
Ondree Odinet Kuhn

On December 4, 2020 Ondree Odinet Kuhn slipped away peacefully after a courageous and hard-fought battle with Lewy Body dementia. Born on January 13, 1937 to Rudy and Ethel Odinet of Galveston, Texas, Ondree had beautiful bright blue eyes and a perfect smile. She was always proud of being "born on the island" (BOI) and loved her Ball High classmates, many of whom remained lifelong friends. After graduating from Ball High, she moved to the mainland and attended university, was a member of the Zeta Tau Alpha fraternity, married and raised her children. She taught math and computer literacy at McAdams Junior High in Dickinson, Texas where again she made several lifelong friends. After retiring from teaching, she settled in the Bella Vita Community in Pearland, Texas and continued to live an active life.

She loved to "Go" – whether it was traveling to Canada or California, bird watching in the park, lunch with friends, shopping at Nordstrom's, a show at The Grand or Hobby Center, the Zoo, an evening bible study or just an activity at the Bella Vita clubhouse - she was always up for a fun adventure as long as it included her best friend and sidekick daughter. Her ability to eat was legendary, especially when it came to a good What-a-burger and fries. But she also had a generous heart, jumping at the opportunity to volunteer at the Christian Helping Hands food pantry or helping deliver pet food to homebound seniors.

While she enjoyed doing just about anything, the absolute PERFECT day was driving (or being driven by her sidekick) in her cherry red Cadillac to Galveston while being serenaded by the Texas Tenors on the radio to have lunch somewhere on the seawall with her closest friends. Friends who devotedly held her hand and made her laugh as they regaled her with stories of their lives. Friends who safeguarded her memories and gave them back to her each time they met. They lovingly took this journey - her journey - with her. She was never alone. So, when at the end, she slipped away for the last time, she went "home" to Galveston.... if only in her mind.

'Go rest on high on that mountain, (Ondree), your work on Earth is done.' You have left a legacy of joy and laughter. We will carry you in our hearts, forever.

Ondree leaves behind a daughter and son, two nieces, a cousin, numerous loving friends and a team of extraordinary doctors and caregivers who worked tirelessly to ensure she lived her best life till the very end. She will be laid to rest next to her mother and father in a private graveside service at Galveston Memorial Park in Hitchcock, Texas. In lieu of flowers, please feel free to donate to Galveston Island Humane Society or your favorite charity. Condolences and/or memories of Ondree can be sent to her family @ 2112 W. Marsala Dr., Pearland, Texas 77581.

You've Been
JINGLED!

Jingle bells, jingle bells, jingle all the way! A little elf stopped by your home to brighten up your day!

From December 1st through the 19th, it will be a nice way to promote the spirit of gift giving without the need of saying. "Hey! The gift's from me." Anything can be included in the Jingle treat bag that's why it is no pressure to prepare one. The directions are easy to follow:

- 1) Enjoy your treats! (\$5 limit/homemade goodies)
- 2) Place the "We've been Jingled" sign on your door or window.
- 3) Within two days make two copies of each sign along with a bag of Holiday treats. (copies can be made at the Clubhouse)
- 4) Secretly deliver your treats to two friends or neighbors.

Happy Holidays!

Sewing During A Pandemic

In spite of the persistent COVID pandemic, the wearing of facemasks, and maintaining proper social distancing, the sewing group has continued to stay busy! We've been working from home on projects to be donated to children who are hospitalized at Memorial Hermann Southeast Hospital during the Christmas season!

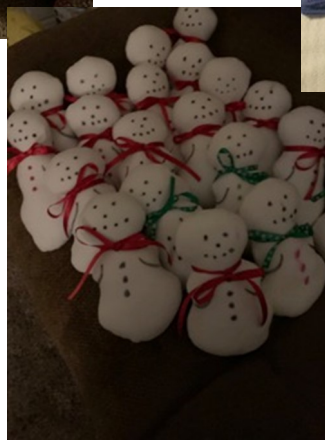

And although we haven't been able to meet as a group, here's some of what we've accomplished during this crazy year!

Batches of Teddy Bears, Snowmen, and Dinosaurs

Knitted and crocheted hats and booties

Large Christmas "Boots" to carry Christmas newborns home in style

Below are photographs of some of our projects along with a list of the members who worked on them! It is our hope that these items will provide a smile and a little bit of comfort to children who find themselves in a scary, new environment during the holidays!

BellaVita Christmas Decorations 2020

The Committee started this project back in March just before COVID and has been working tirelessly to get bids for the new additions at the entrance to BellaVita. As you can see coming and going they are up for your enjoyment. We also requested that the spot lights in the median for the trees, the front BellaVita sign plus a new electrical outlet be repaired so we could light the new decoration. It is

spectacular and we want to thank the Chairman Marjorie Parham and her team: Maylene Moore, Sue Biard, Kay Simpson, Emily Marshburn and Mary Westfahl for their dedication in seeing that this project come true. Also, a special thanks to the BellaVita Belles, TEC, Men's Club and the Veterans Club for helping raise the money to make this happen.

2021 Bellavita Belles Elections of Officers:

Nominating Committee: Juanita Davis, Chairman & Committee Members: Karen Wiggins, Beverly Francis

Request: We as officers have so much unfinished business due to COVID19 we would like to keep our positions for 2021. All of our plans were set in place for the entire year so we would like the opportunity to continue with our plans and committees for 2021 and will be working off the same budget as 2020. We will turn in our willingness to serve forms so we can move forward. Thanks for your consideration.

Dear Residents:

We're entering the busiest season of the year. Unfortunately, this is a prime season for crime to occur. Below are some friendly reminder safety tips. Remember to always report suspicious activity to the local police. We wanted to remind residents to be mindful of their surroundings to help mitigate becoming a victim.

Safety Tips

1. Use ATMs in well lit, populated areas. When using an ATM please be extra cautious of your surroundings and don't count your money out in the open. Avoid carrying large amounts of cash.
2. When exiting/unloading your vehicle be cautious of anyone in the vicinity. If you see a suspicious person stay in the vehicle with your doors locked and windows up. Never open your doors to anyone you do not know.
3. Always be aware of your surroundings, with interest to individuals near and around you.
4. When leaving your vehicle, lock it and close the windows. Don't leave valuables in public view.
5. Never leave your car running and unoccupied.

Tips for Packages

1. Sign up for delivery alerts so you know when your delivery is scheduled and when the package has been delivered.
2. If you're not able to be home when a package will be delivered, ask a trusted neighbor to hold it for you.
3. If possible, require a signature for all deliveries.
4. Be a good neighbor! If you see a package on your neighbor's doorstep, reach out and ask if they would like you to hold it until they are home.

The Awards Committee would like to announce **Q4 2020 Volunteer of the Quarter, Gene Reddell**. The Volunteer of the Quarter is a program to publicly recognize the efforts of an individual for BV community service.

Gene moved to BellaVita in 2003. He has been a long time resident who has been involved in much of the development of the BV community. Gene knows how important it is to get involved as a volunteer. His invaluable service to the community in getting numerous tasks and events executed has made a difference in the lifestyle here.

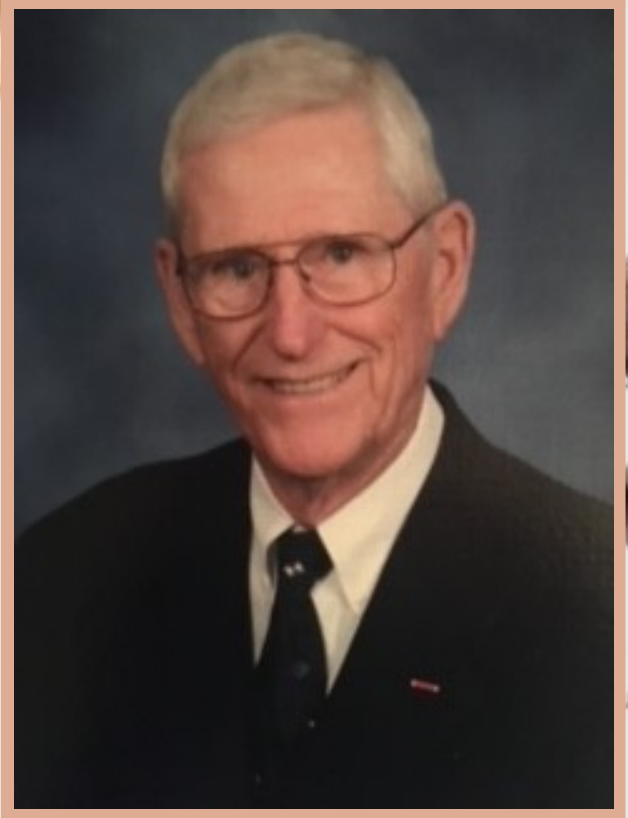

Gene has worked on many committees and projects. As a HOA Election committee member, he has worked with the Board to ensure BV allows residents a voice on who leads our community. He has spent countless hours volunteering as a Block Captain, Men's Club member and Veterans Club Flag Captain. He has served as the Treasurer for the New Year's Eve Annual Event and handles the money for the Veterans Disbursement including monthly meals and chairman of the Memorial Day and Fourth of July Annual events. Gene spent his career as a banker so BV knows who to put in charge of the money! With all this responsibility, Gene will take the time to cook for all clubs, buy the groceries, setup & take down for events. No job is too small for him to chip in. BV has profited greatly from his energy and inspiration.

Something many may not know, Gene is a caring neighbor. At a moment's notice, he has driven neighbors to Doctor appointments and/or the Hospital. Also, sits with the neighbor until family arrives or checking in on neighbors who are ill and unable to leave their homes. In addition to help make BV a caring community, he belongs to the Pearland Citizens Police Academy. Besides staying aware of community safety issues, he has been involved in fundraising for the Citizens Police Academy as well as heading up Toys for Tots for BV.

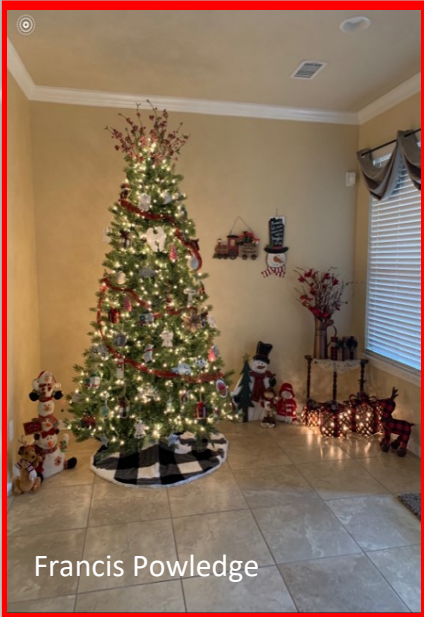

Gene was honored with the **2016 ROSE Award** (along with Charles Parham) for the Fence Task Force Leadership in 2015. He shows true dedication to our community. He has a winner's attitude and is respected and admired for his outstanding leadership.

Gene has done an incredible job in all his volunteer efforts. Thank you Gene Reddell for all your hard work. Please congratulate Gene on his outstanding contributions and recognition as Volunteer of the Quarter.
