SEPTEMBER 11, 2018 Weekly Newsletter

FROM THE BOARD of DIRECTORS

By Connie Harry, President

Kudos to our Clubs!

We can never thank our clubs enough for all the work they do for the community. But let's look at some of their highlights. Under the leadership of the club officers, they schedule, plan and host various events for our entertainment at an affordable price with never having to leave BellaVita.

How great is that!

We have dances, variety shows, plays, free movies, Ladies night in, patriotic presentations and of course the food. Instead of "build it and they will come", our motto is "feed us and we will be there". In addition, the clubs give to a variety of charitable causes and then they return much of the earned proceeds from their endeavors to the community. Just this year, there have been renovations to the clubhouse furnishings, a state -of -the -art audio/visual system, beautification programs to the common grounds, a proposed purchase of a new piano, painting of the gates and entrance monument. The list goes on and on.

The clubs are the heart of the community. Oh yes, remember the clubs are each of you who participate by attending meetings, buying tickets, volunteering your services.

BELLAVITA IS A GREAT PLACE TO CALL HOME.

To honor Patriot Day, and the 17th anniversary of the 9-11 event in which 2,977 innocent persons lost their life, the BellaVita Veterans Organization has installed 850 flags around the BellaVita community. Flags will fly until Saturday Sept. 15th. Additionally, residents are invited to witness the return of the clubhouse flags to full staff at 7:35pm, 1935H, on 9-11.

Choir Members
Welcome!

As we begin practicing for our 6th Annual Holiday performance, we are looking forward to once again working with our old friends, and welcoming new ones. All Bellavita residents are invited to come join us in this holiday tradition.

Our first two practices, Sept. 10 & 17, will be to organize and preview our music. We will begin our weekly rehearsals on Monday, October 8th and continue through December 10. All practices will be held in the Ballroom from 7:00 – 9:00PM. The performance will be in the Bellavita Clubhouse Ballroom on Friday, December 14, 2018 at 7:00PM. There is a \$10.00 music fee.

If you have questions, contact Linda Stanton at (281)844-5984 or Kathy Wright at (281) 382-9568.

The Awards Committee would like to announce **Q3 2018 Volunteer of the Quarter, Bernie Bouman**. The Volunteer of the Quarter is a program to publicly recognize the efforts of an individual for BV community service.

Bernie Bouman joined the Facilities Committee in early 2017. Since joining he has gone above and beyond what a volunteer would normally do. He is mild mannered and takes his responsibilities very seriously. Bernie is on call for the staff for any issues that may arise with the pool. WOW a volunteer on call that really says a lot about Bernie and his dedication to Bellavita.

He spends countless hours monitoring the Bellavita pool and spa equipment to ensure all residents can enjoy spending time in the pool, be it exercise or just hanging out with family and friends. Bernie has been instrumental in working with Miller Pool to keep all aspects of the pool and spa operational.

Bernie is a great asset to the Facilities Committee as well as the entire community. Also, he is volunteering at Men's Club events, Veterans flag team, as well as participating as a waiter at the Belles Tea. He even offered his theatrical talents, by participating in the annual play in 2017! If you didn't see, he really stole the show, Oh, Flapjacks! Adding to his credits, he assisted in the construction of the set and props for the Pearland HS musicals Pippin and Shrek. The Shrek musical won a Tommy Tune award for best set design.

Although his primary goal is the pool, he has been available to help the staff with gate issues, etc. The staff, the Board and residents sing his praises on how they rely on him. He has done a terrific job. Thank you Bernie Bouman for all your hard work. Please congratulate Bernie on his outstanding contributions and recognition as Volunteer of the Quarter.

MOSQUITO PREVENTION CHECKLIST

What You Need to Know

Hot weather and standing water come with significant nuisances related to pest control. One of the most dangerous and annoying pests that need control in Houston are mosquitoes. Bringing deadly diseases at worst and itchy bites at best, mosquitoes can be prevented and managed through basic diligence and access to professional pest control services. Three forms of mosquito control include preventing breeding sources, protecting yourself, and caring for your community.

Prevent Breeding Sources Mosquitoes breed prolifically, laying eggs and developing colonies at a rapid rate. Because mosquito larvae need still water to survive, any area on your property with standing water acts as a perfect home for mosquitoes to grow their families. One of the main objectives for mosquito control and prevention is getting rid of standing water.

Protect Yourself-Even with a significant amount of breeding prevention, it's impossible to keep your property completely mosquito free. Install screens or repair holes in existing screens, keep landscape plants, trees, and shrubs trimmed, avoid times when mosquitoes are most active, such as dawn or dusk, and wear DEET spray repellent, along with long sleeves, long pants, and light colors in the evening.

Care For Your Community Your neighborhood or community may be at risk of breeding or hosting mosquito colonies. Watch out for these situations in your area. Report disruptions in nature that may cause mosquito problems such as green or abandoned swimming pools, hot tubs, or other bodies of standing water, pick up litter that may collect water, and keep your neighborhood clean.

check list, visit

We as a BellaVita family are always saddened by the news of one of our own passing. The Bereavement Committee of the Belles Club works diligently to assist with the food needs for a memorial for the family and friends when the event is held at our clubhouse. The staff stands ready to assist with all needs for table set ups, audio and visual and other requirements.

It is imperative that a family member work with the staff to schedule a date for the memorial, sign forms for insurance purposes, and arrange for food assistance. There are many events held in the clubhouse daily and arrangements must be made for cancellation and/or relocation of these events and notice to all participants.

Your cooperation is appreciated.

BEREAVEMENT COMMITTEE
SPONSORED BY THE BELLES CLUB

DID YOU KNOW?

The Belles Club sponsors a Bereavement Committee to assist families with meal services on the death of a loved one in which the family wishes to use Clubhouse Facilities for a memorial reception.

The following are guidelines of the committee:

- Service offered **only** on the death of a resident;
- Family contacts the Clubhouse Manager to arrange for use of the clubhouse facilities;
- Clubhouse Manager contacts Bereavement Committee to assist family;
- Bereavement Committee provides salads, vegetable dishes, desserts, and tea/coffee/water. Family provides any other beverages of their choice;
- Bereavement Committee works with the clubhouse personnel and family on the set up and clean-up.

Sue Steik has graciously volunteered to serve as coordinator of the Bereavement Committee. The committee is comprised of volunteers from the Belles Club as well as any other residents of the community who would like to assist. You may contact Sue Steik if you wish to be on the list as a volunteer (281-464-9454).

BellaVita is a community committed to neighbors helping neighbors and this is just one small way in which we try to be a support in the loss of a loved one.

VALDEZ MEMORIAL

Our condolences to the family and friends of Mr. Roger Valdez for the recent loss of their family and friend.

Mr. Valdez will be greatly missed in the BellaVita community. Peace be with him.

A memorial service will be held on :
September 28, 2018
4pm-6pm in the BellaVita Ballroom

Front Door Maintenance

Your HOA dues includes having your front door maintained every two years. This means the door will be lightly sanded and a light coat of spar varnish applied. A new weather strip at the bottom of the door is included if needed. This will help protect your door.

However, if you postpone having the work performed and the door has to be refinished (not just maintained), the HOA will only cover a portion of the total cost of \$350. You will be responsible for a portion of the refinishing, depending on whether or not you need a weather strip. We will pay a maximum of \$130 (the cost to the HOA of a normal maintenance including a weather strip) and you will be responsible for the rest. So it will pay to have the work done every two years – and you are entitled to it. **Call the Front Desk (281-464-3150) and ask to have a Work Order made for “Door Maintenance”** if it’s been two years since it has been done.

The **Copy Center** copying guidelines for the BellaVita HOA Board, Board Committees and Clubs and Organization Officers are at no charge as follows:

- Maximum of 25 pages – immediate copying
- Maximum of 400 pages – 24 hour copying
- Over 400 pages – one week copying
- Any specialty services (stapling, binding, hole punching, etc.) are the responsibility of the requester.
- **All copies are black and white .**
- **on white paper only.**

All specialty papers are to be provided by the requester.

The Service Desk will provide the following FAX, Notary and copy services:

- Sending local Faxes – no charge
- Long distance faxes - \$1 for each page
- NO International faxes
- Receiving Faxes – 10 cents per page up to 25 pages and 25 cents per page over 25 pages.
- Notary services are free when a Notary is available. Notary services are for residents only.

Copy Services – 10 cents per page up to 25 pages and 25 cents per page over 25 pages.

Why Love a Snake!

Globally and regionally, scientists report that reptile populations are declining at an alarming rate. The primary drivers for the decline in populations include: habitat loss and degradation, direct persecution and disease. Snakes are reptiles and fill an important ecological niche as beneficial predators of garden and suburban pests, including rats and slugs. Most snakes are non-aggressive and only bite if stepped on or handled.

As reptiles, snakes are cold blooded, which means their body temperature is controlled by the external environment. Thus, when it is sunny, they are prone to laying on warm rocks, sidewalks or soil to “sun” themselves. Many Bella Vita residents have seen our local “resident” water snake, “Alfred” who lives in and adjacent to the stream at the clubhouse. Alfred is a long, thin, mottled colored snake that can be seen in the stream waiting to catch fish. He is not poisonous and loves to warm himself on the rocks and/or sidewalk along the stream. He has even been seen early in the morning stretched out on the sidewalk leading to the fitness room. He is harmless (more afraid of you than you are of him). Do not attempt to pick up, step on, or remove him – simply report to clubhouse staff. We are actively taking steps to deter him from occupying areas where he comes in contact with residents. So please be patient as we are addressing the issue.

There is a lot of false or misleading information about snakes. While there are numerous types of non-venomous in our area, there are only 4 venomous/poisonous snakes native to southeast Texas; the western rattlesnake, coral snake, copperhead and eastern cottonmouth. Only one, the eastern cottonmouth, that is found near water.

Remember - they're more scared of you than you are of them!

The BellaVita Clubhouse Committee would like to remind everyone that any equipment or furnishings cannot be removed from the clubhouse for your private use. This includes all decorations and any items from the Clubhouse closets. There have even been incidents when residents have borrowed items that were never returned.

In the Clubhouse Rules and Regulations on Page 14, it states:

“No equipment and/or furnishings may be removed from the Clubhouse for private use.”
