Ways I've Served BellaVita: _____
Worked at Mistletoe Market, member of Communications Committee

**Reasons why my election to the Board of Directors would be an asset to the
BellaVita at Green Tee Homeowners' Association, Inc.:**

The varied work and board experience has given me the ability to assess many of the
issues and problems that are presented to the community of BellaVita. I have acquired
organizational and planning skills due to my self-employment and management of a
\$3,000,000 sales territory. I realize the need to question and understand all of the
ramifications of a problem and seek out answers. As a board member I would be
seeking an objective and open dialogue between the Board and the owners at BellaVita.
